### 2 Get your friends & families involved!

Expand your reach and get your friends and family involved! The individuals served at BI are the ones who will receive the greatest benefit from your active support. Use the templates to engage your friends & family!

### 3 Like & Share our Social Media Posts

Sharing is caring! Like and Share BI's social media posts to help engage your families, friends, and followers. You can also share BI's official Facebook Fundraiser to help raise even more funds!

### How can I help and why?

We believe we can inspire others through our actions and your involvement in helping raise funds for the redevelopment of BI's new Program Headquarters will have a transformative impact on the individuals who receive services. Sharing your story and how BI has helped break barriers for someone in your life will inspire others to support our cause. We are all connected and our community is enriched when we invest in one another.
